Friday Flowers will be a little early and a little less bright this week.

It is with great sadness that we share that our beloved Father, Grandfather, and Husband, Sonny Carter, passed away peacefully yesterday, November 3rd, 2026, with his loving wife, Kathy Carter, at his side.

Friday Flowers was a passion project of his. He loved sharing these photos with you all. Looking back at his original post, he said he knew next to nothing about flowers. He took photos of his weekly flowers on his commute or from his yard to share with everyone. He learned a little every week about the flowers and shared that knowledge along the way. His favorite subjects were his wife's flowers, as she is an avid gardener, but he loved seeing and sharing this beauty with the world.

If we can make one request of you all, let's honor him by sharing the beauty that is around us. Please share a photograph you took of a flower in the comments of this post and, perhaps, a small memory of him if you can. If you have an old photo with him, we would love to see it as well.

He loved sharing his story and vision with you all, and I know this would mean the world to him, but also to our family.

His services will be:

November 9, 2026, at 1:00 PM
St. Michael and All Angels Episcopal Church
123 W Sale Street
Lake Charles, LA 70605

With love,
The Family of Sonny Carter **See less**
